

General Size Type for Simple Weighing Purpose

MI 1000 Series

MI-1000TS

Feature

- Platform, Truck Scale, Testing, Crane Scale application
- Power Supply : SMPS Free Voltage (AC85~265V)
- Rs-232C Serial Interface 1 port Standard built in
- Current Loop 1 port Standard built in
- Option : Only RS422/485

MI-1000A

Feature

- Platform, Truck Scale, Testing, Crane Scale application
- Power Supply : SMPS Free Voltage (AC85~265V)
- Rs-232C Serial Interface 1 port Standard built in
- Current Loop & Print 1 port Standard built in
- Option : RS422/485, Wireless Communication card with Remote Display, 0~10V/4~20mA(Analogue output), BCD IN/OUTPUT

MI-1100A

Feature

- **Letter Size : 1.0 inch**
- Platform, Truck Scale, Testing, Animal Scale application
- Power Supply : Trans type AC110/220V (DIP S/W Selectable)
- Rs-232C Serial Interface 1 port Standard built in
- Current Loop & Print 1 port Standard built in
- Option : RS422/485, Wireless Communication card with Remote Display, 0~10V/4~20mA(Analogue output)

Common System Application & Dimension
